Conflict & tensions

An aerial, high-angle view of a futuristic cityscape. The scene is dominated by a dense cluster of skyscrapers, including several prominent, dark, spire-topped buildings. In the background, a large, white, cable-stayed bridge spans across a wide body of water. The sky is filled with dramatic, dark clouds, and a bright sun or light source is visible in the upper left, creating a lens flare effect. Numerous flying cars, resembling sleek, dark aircraft with glowing blue and white lights, are seen in motion throughout the city, some blurred to suggest speed. The overall atmosphere is one of advanced technology and urban development.

The future is
ours to make

Still
confused?
